Subject:	Finally the right final version

Hi Ronen
Thats the right version.
I've corrected a logical mistake I've made re the duration. It of course should be the later of the two events not the earlier.
The rest of it are answers to our concerns re the definition of payment/compensation. Iv'e just put both.
And somewhat better English in few other sentences.
It ended up one pager,not bad.
please check and comment on it.
Best
Ehud Barak
